

Meet Your FOSH Committee

THANK YOU

A huge thank you to all those who joined us online for the AGM on 8 February. It was so encouraging to see so many of you on the call willing to turn up and support the continued running of FOSH. Here are your newly elected committee. We are parents to children in the school, volunteering around our families and work. We can't do anything without you so please let us know how you can help. We'd love to hear any ideas for fundraising, experiences or anything else.

Come along and join us for an ideas and planning session - there is a term and a half still to go in this exciting anniversary year for school! There's so much we can do by pooling our energy and efforts. We need you to join in to make it happen.

Claire Gregory - outgoing Chair

Thank you to Claire, for your incredible spell as Chair of FOSH. She picked it up and has taken things from strength to strength. You never lost sight of why FOSH matters: supporting our children, their experiences and opportunities and strengthening our school. Whether you were leading meetings, organising events (which you were always at!) or solving problems, you did so with dedication and care.

You've been so supportive to your fellow trustees. You created a culture of collaboration that will last well beyond your term.

The hours you gave, often evenings and weekends, made a real difference in classrooms, at events, and in the every day experience of our children. During your time as Chair FOSH has delivered the plane library, replaced the trim trail, bought a whole new phonics scheme, created the sensory room, provided the children with Coronation celebrations, Just Read books, agility mats, digital cameras, instruments, the Bluetooth speaker, playground and PE kit and so much more besides.

On behalf of the entire school community, thank you. We are so grateful for all you've done.

Lucy Viner - former Secretary

Thanks also to Lucy for your dedication and hard work as FOSH Secretary. Your organisation and commitment have been key to the success of FOSH. Much of your work happened quietly behind the scenes, but it made a real and lasting difference to the whole school.

A very special thank you for the enormous effort you put into organising last year's circus. It was a huge undertaking, over years and your planning, coordination, and perseverance were central to its success. The event brought our community together, created wonderful memories for our children, and raised valuable funds for the school, thanks in large part to your hard work.
